

PRECISION

NTDS 32

Automatic Level

- ***Superior Optics with 32X Magnification***
- ***Built-in horizontal circle***
- ***Rugged Compensator***

Ideal for Builders, Construction Companies and DIY

Technical specifications

Standard deviation of 1km double run:	+ - 2.0 mm
Magnification:	32X
Telescope:	Erect Image
Shortest Focusing Distance:	0.6m
Stadia Multiplication Constant:	100
Setting Accuracy:	0.5 "
Additive constant:	0
Compensating range:	+ - 15'
Circular level Sensitivity:	8' per 2mm
Circle Reading:	1°
Net weight:	2 Kg
